Bull Creek Tech

USB-C to USB-C - 2 Meter - 20 Gbps / DisplayPort Support - 240W

SKU: USBC2M20G240W
MSRP: $34.99

UPC: 810189121737

- Charge Devices upto 240W (with supported power sources)
- 20 Gbps bandwidth is perfect for external hubs or storage
- Compatible with all USB-C Devices
- DP Alt Mode 1.4 support for connection to monitors. 4k @ 120Hz, 8K supported.

Fast Charging Meets Everyday Simplicity

Connect confidently with Bull Creek Technologies' robust USB-C to USB-C cable, expertly designed for reliable charging and data transfer. With a 2-meter length, this cable gives you the flexibility to comfortably use your device wherever you need it. Supporting fast charging up to 240 watts, it's ideal for powering everything from smartphones to high-performance laptops.

Enjoy dependable USB4 / 20Gbps data transfer speeds, perfect for daily tasks like file transfers, device syncing, and charging. Crafted for durability and consistent performance, this cable is your reliable choice for home, office, and travel.

This USB-C cable supports DisplayPort Alternate Mode (DP Alt Mode), allowing you to transmit high-definition video and audio from your USB-C device to a compatible monitor or display. It's ideal for extending or mirroring your screen in up to 4K resolution, depending on the capabilities of your connected devices.
