Bull Creek Tech

USB-C to 3.5mm Audio Aux Adapter / USB-C to 3.5mm Audio Adapter — Restore Headphone Jack

SKU: USBCAUXADAPT
MSRP: $19.99

UPC: 810189121812

- USB-C to 3.5mm audio (TRRS) headphone / aux adapter
- Adds analog audio output to laptops, tablets and smartphones that lack a 3.5mm jack
- Compatible with standard headsets, earbuds, aux-input speakers and conference-room audio
- Plug and play — no drivers, software or external power required
- Backed by a 2-Year Limited Warranty

Engineered for Reliable Connections

Bull Creek Technologies USB-C to 3.5mm audio adapter restores legacy headphone and aux-output compatibility on the modern fleet of USB-C-only laptops, tablets and smartphones. Compact, pocket-friendly and an essential accessory for hybrid workers and frequent travelers.

Built-in DAC delivers clean stereo audio plus microphone passthrough for standard TRRS headsets — perfect for conference calls, video meetings, in-flight entertainment and audio playback on aux-input speakers and conference-room mixers.

Plug and play — no drivers, software or external power required. Tested for compatibility with USB-C devices from Dell, Lenovo, HP, Apple, Microsoft and other major OEMs. Backed by a 2-Year Limited Warranty.
